Technical drawing of the 'L' shaped desk showing dimensions in millimeters. The desk has a main horizontal section that is 800 mm wide and 890 mm high. The vertical section is 275 mm wide and 590 mm high. The total width of the desk is 1150 mm, and the total depth is 890 mm. The desk is shown with a white top and a black frame. The dimensions are: 275 mm (width of vertical section), 890 mm (height of main section), 590 mm (height of vertical section), 800 mm (width of main section), 1150 mm (total width), 890 mm (total depth), 230 mm (width of base), and 810 mm (width of base).

Technical drawing of a roof structure. The drawing shows a cross-section of a roof with a total height of 670 and a total width of 1340. The roof is divided into several sections: a grey-shaded section on the left, a white section in the middle, and a section on the right. Dimensions are given for the height of the sections (670, 450, 450) and the width of the sections (270, 155, 1240). A small detail of a roof tile is shown in the bottom right corner.

Technical drawing of a stepped profile with the following dimensions:

- Overall width: 670
- Overall height: 1240
- Top horizontal segment: 325
- Second horizontal segment: 650
- Third horizontal segment: 400
- Fourth horizontal segment: 1580
- Vertical segments (from top to bottom): 670, 1300, 325, 400
- Horizontal segments (from left to right): 270, 1240

The drawing includes a cross-section view showing internal features and a logo in the bottom right corner.

Technical drawing of a roof plan for a house with a gabled roof. The drawing shows a complex polygonal shape with various dimensions. The overall width is 1315 and the overall depth is 980. The roof slope is indicated as 1:2. The drawing includes a small detail of a roof corner on the right.

Technical drawing of a stepped profile. The drawing shows a cross-section with multiple steps. Dimensions are provided in millimeters (mm). The overall width is 670 mm. The overall height is 1540 mm. The profile is defined by several parallel lines with the following dimensions from the outer edge inwards: 270 mm, 155 mm, 1140 mm, 400 mm, 800 mm, 400 mm, and 670 mm. A scale bar at the bottom right indicates a length of 1500 mm.

Technical drawing of a 3D structure, likely a mold or container, showing dimensions and labels. The drawing includes a top view and a side view. Key dimensions and labels are:

- Top view dimensions: 530 (width), 1000 (depth), 230 (width of a section), 160 (width of a section), 270 (width of a section), 155 (width of a section), 1140 (width of a section), 1285 (width of a section).
- Side view dimensions: 530 (height), 1000 (depth), 230 (width of a section), 160 (width of a section), 270 (width of a section), 155 (width of a section), 1140 (width of a section), 1285 (width of a section).
- Labels: "CUTTER" (with a circular icon), "N" (multiple locations), "V" (multiple locations), "Z" (multiple locations).
