

HER ZAMAN TAZE

ALWAYS
KEEP IT
FRESH

- Yatay havuz dondurucu ve yarım cam kapı kombinasyonuna sahip olan Manolya serisi dondurucular, dondurma ve çeşitli dondurulmuş ürünlerin çok yönlü teşhirine yönelik olarak dizayn edilmiştir. Manolya'nın fonksiyonel dizaynı hipermarketler için optimal ürün yükleme imkânı sağlar. Reyonun güçlü ve çok yönlü yapısı küçük ürünler için göz hizası teşhiri sağladığı gibi büyük ve ağır paketler için de yatay teşhir ve depolama olanağı sunar.

- Manolya series which has combination of half glass door and horizontal island freezer, has been designed for versatile display of ice cream and various frozen products. Functional design of Manolya provides opportunity of optimal product loading. Strong and versatile construction of the rayon provide eye level display for small and special products as well as panoramic display and storage for larger and heavier items
